

1.23 OSRAM GmbH, OSM CC, 81536 Munich

Because people large and small rely on your advice: fit OE quality from OSRAM.

Reliable headlights and good visibility on the road ahead cannot be taken for granted. That's why you should only recommend the best – original equipment lamps from OSRAM. They have to pass stringent material checks and function tests so that they meet the high demands of leading vehicle manufacturers. With OSRAM you get original spare parts and OEM quality – a combination that means maximum safety for adults and children alike.
