Fight the night!

OSRAM NIGHT BREAKER® PLUS: The world's most powerful automotive halogen lamp – now with new technology for longer lifetime.*

Wherever you go, arriving safely is most important. OSRAM NIGHT BREAKER® PLUS is your assurance:

- up to 90 % more light on the road ahead** for better visibility, and increased reaction time.
- up to 10 % whiter light*** for fatigue free, comfortable driving.

Suitable for every car – switch now to greater safety!

SEE THE WORLD IN A NEW LIGHT

* compared with the first generation NIGHT BREAKER® ** compared with standard lamps
