

# Be the Light Rider.

**OSRAM NIGHT RACER® and OSRAM X-RACER® –  
the brightest headlights for your bike.**

Now there are two companions which make the unsafest roads safer: OSRAM NIGHT RACER® with up to 90% more brightness, up to 10% whiter light and an up to 35 m longer light beam. OSRAM X-RACER® with up to 20% brighter light and a similar look to xenon. With the newly designed spare lamp box, OSRAM will never leave you without light.
